

BIOGRAPHY

Don Taylor **Senior Vice President and CFO**

Mr. Taylor is Chief Financial Officer for AVX Aircraft Company. Joining AVX in 2010, Mr. Taylor is responsible for all aspects of financial management and administration for AVX.

Mr. Taylor was formerly Executive Vice President and CFO of Bell Helicopter Textron. Over a period of 28 years he held numerous finance and business management positions and had overall responsibility for Finance, USG and Commercial Contracts Administration and Information Technology. He also served on the Textron Finance Council and the Board of Bell/Agusta Aerospace Company.

In addition to his financial background, Mr. Taylor has also held positions in engineering and program management with Texas Instruments Inc., and he formed and operated his own custom homebuilding company, Don L. Taylor Homes, LTD.

Mr. Taylor has a broad spectrum of experience including world-wide operations, serving customers ranging from governments to corporations to individuals and business formations from JV's to acquisitions. He has a history of delivering strong financial results, building high performance teams, improving operations and exceeding customer expectations.

Mr. Taylor has an MBA in Finance from Southern Methodist University, a BS in Electrical Engineering from the University of Missouri at Columbia and has completed Advance Management Programs at the Harvard Business School and Insead in France.

Mr. Taylor is active in his church and serves on the Board of Parenting Alone, a non-profit organization focused on providing help, hope and healing to single parent families. He and his wife Sandy have two children and two grandchildren, all of whom live in the Dallas-Fort Worth area.
